PHOTOGRAPHIC MENTORING AND CRITIQUE

Guided and supported coaching to build a stronger portfolio, publish your work, exhibit, advance your skills and photographic career and more. Our inspiring instructors focus their efforts exclusively on helping you improve your work with personal feedback and in-depth critiques.

PHOTOGRAPHIC STUDIES

Expand your knowledge of photography—from exposure to composition to learning to see more creatively. Supportive, goal-oriented learning at any level from beginner to advanced.

LOCATION STUDIES

The digital vacation workshop—the ideal combination of education and vacation. Be inspired on location with one-on-one attention in the field as you learn a customized curriculum to suit your goals.

DIGITAL PROCESS AND PRINT

Gain the necessary knowledge to flourish in the digital environment from learning the functions of your digital camera to creating masterful prints. Our workshops allow you to begin where you are most comfortable, and progress at a pace that works best for you. Learn Adobe Photoshop and Adobe Lightroom, black and white, workflow and more.

MARKETING AND BRANDING

Develop your professional image and presentation. Promote your work with portfolios, logo, leave-behinds, web site and more.
